EXPERIENCE

TheShiftRadio.com, Calgary — *On air host/Operator*

September 2012 - April 2014

For school, I dedicated time as an on air host for TheShiftRadio.com where I produced my own commercials and PSAs and spoke about news and editorials.

PSAV, Calgary — *Audio Visual Technician*

September 2013 - Present

With PSAV I set, test and operate microphones, cameras, projectors, and audio mixers. I also have had some experience operating switcher boards for live shows.

Project 7 Productions, Calgary — *Director of Photography*

August 2015 - Present

In the past I have provided my voice for original shorts. I also edit footage, audio and provided voice over.

EDUCATION

Mount Royal University, Calgary — *Broadcasting Diploma*

September 2012 - November 2015

At MRU I was trained on how to professionally operate microphones and record quality audio with a proper broadcasting voice.

PROJECTS

Murder by Midnight — *Director/Lead Role*

At MRU, I produced a ten minute long radio drama and acted as the lead role : Detective Dick Piston. For this project, I was praised for my performance and artistic choices.

SKILLS

A wide range of voices, pitches and accents

Three years experience with voice over projects and on air radio.

Well trained with audio capturing equipment.

Hardworking, flexible, eager and quick learning.
